

# PURCHASE OPTIONS

<b>NATO</b>	We're registered under NSPA and PfP (Partnership for Peace - Baltics & Eastern Europe)
<b>US FMS</b>	Any bilateral military-to-military between any services can be used to purchase from us
<b>US FMF</b>	Funds earmarked for a country or effort of mutual interest like counternarcotics or counterterrorism - are always funded! Arrangements differ from entity to entity. For some the US will purchase 100% and for others some mutually agreed percentage will be paid by the US
<b>NSA</b>	For countries that have a relationship, your liaison officer can request NSA purchase our software for you; we're registered there
<b>CIA/NRO</b>	For countries that have a relationship, your liaison officer can request CIA purchase our software for you; we're registered with these agencies, too
